IX. Daily Proceedings

FIRST DAY, WEDNESDAY, SEPTEMBER 1, 1920

Opening—The Colorado Conference of the Methodist Episcopal Church met for its fifty-eighth session in the Grant Avenue Church, Denver, at 9 o'clock a. m., Bishop Mead in the chair. The Eucharist was administered by the Bishop, assisted by the District Superintendents, Pastor Thomas, and D. D. Forsyth.

The Roll was called by Secretary A. F. Ragatz, beginning, the Conference standing, with the name of Bethuel Thomas Vincent, translated. At call of the first name, G. H. Adams, a pause was made while C. A. Brooks offered prayer for the aged, lonely, distant brother. (For presentees, see Chronological Roll.)

As Secretary, A. F. Ragatz was nominated for the fifth time, but with thanks declined to serve. After numerous nominations and declinations, W. F. Steele was pressed into the secretaryship of the Conference for the twelfth time, and his twentieth in all, with an allowance of \$100 for help and expense.

The Other Officers were constituted as usual. (See Organization.)

The Bar was fixed on motion by L. B. Longacre.

As Committee on Platform Privileges, on motion by A. L. Chase the Pastor and District Superintendents were appointed.

The Printed Program was made official, on motion by S. H. Kirkbride.

Saturday afternoon's session was ordered for the Iliff School of Theology, on motion by L. B. Longacre.

The Board of Relations' names were ordered printed henceforth in the Program, on motion by S. H. Kirkbride, who announced that all persons seeking change of relation should apply directly to said Board. Also the election to fill vacancies on that Board was ordered for the following day, following the reading of the Journal.

The Constitutional Meeting of the Preachers' Aid Society was ordered for 10 o'clock Thursday.

Clarence True Wilson, secretary of our Board of Temperance, Prohibition, and Public Morals, was introduced and spoke.

A Committee of Protest to Governor Shoup against the opening of the State Fair on a Sunday was ordered, on motion of J. R. Rader, which was made to consist of H. A. Buchtel, C. B. Wilcox, A. L. T. Ewart, Frank McDonough, Sr., and W. L. Hartman.

As Methodist Review Solicitor, G. G. Saywell was appointed.

The Sympathies of the Body for S. A. Curtis were, on motion by Paul Spencer, ordered sent by the Secretary.

Name of Bishop Mead Retained on the Roll. On motion of C. A. Rowand, seconded by many, the following was adopted by a rising vote:

Whereas, The General Conference has declared that election to the office of Bishop does not terminate Annual Conference membership, and also that the name of such member (1) may be retained upon the chronological roll of the Annual Conference in which his membership resides; but (2) may by proper procedure be transferred to the roll of another Annual Conference; and (3) may be counted in computing the number of General Conference delegates to which the Annual Conference in which his membership resides is entitled; therefore be it

Resolved, That the Secretary of the Colorado Conference be instructed to retain unchanged the name of Brother C. L. Mead upon our chronological roll until lawfully removed, which we hope will be late. Also that the name of Brother Earl Cranston, Senior Bishop retired, entered on our roll in 1879, and since 1896 retained without authority, be similarly treated.

The Board of Examiners was named by the Bishop. (See Organization).

With the Benediction, by L. M. Edwards, the Conference adjourned.

SECOND DAY, THURSDAY, SEPTEMBER 2, 1920

The Session Opened at 8:30 a. m., with an address by the Bishop.

The Journal of yesterday was read at 9 o'clock and approved, on the Bishop's call.

Vacancies in the Conference Relations' Board were filled by election. (See Organization.)

The Reception of T. J. Bulger, Fraternal Delegate of the Colorado State Federation of Labor, was, on motion of L. B. Longacre, made the order of the day for Friday at 10 o'clock a. m.

The Bishop Announced the Transfer of Loren M. Edwards, Baltimore; Willis H. Germany, Gulf; Steuart D. White, North Indiana; Homer A. Fintel and Fred B. Moore, Des Moines; Quintin W. Brakebill, Southwest Kansas; H. V. Wilhelm, Illinois; E. E. Thompson, Northern Minnesota, some of those present being introduced.

Frank R. Hollenback was passed as to character, and he read his report.

The Constitutional Meeting of the Preachers' Aid Society was held during a recess, Vice-President Hollenback in the chair. Secretary John Collins read his report, which on motion by S. H. Kirkbride was ordered printed condensed. The following amendment to the By-Laws was after due notice and by due process adopted:

Strike out By-Law No. 4, and substitute therefor the following restatement:

No. 4. The Patrons' Fund shall consist of all moneys and other property contributed by and for Patrons; and may receive gifts on annuity, upon the scale adopted by the Benevolent Boards of the Methodist Episcopal Church. Every Patron may receive annually during superannuation six per cent per annum of any amount he shall have contributed, or that shall have been contributed for his benefit as a patron, and if the net profits shall warrant, such additional percentage, not to exceed twelve per cent per annum, as the Board of Managers shall approve; and the widow of a patron shall receive during her widowhood at the same rate on any money that may be to the credit of her husband as patron.

A patron losing connection with the Society, without having become a beneficiary thereof, may, after giving 90 days' notice, be paid any amount he may have directly contributed to this fund.

The Jubilee Members' and Patrons' Funds shall be consolidated with each other upon the following terms, *viz.*:

(1) The Jubilee Members' Fund shall be maintained at not less than \$36,364, and the Patrons' Fund increased to and maintained at an amount, the income of which shall be sufficient to meet the expenses and all claims of the beneficiaries of the consolidated funds.

(2) The expense of maintaining the consolidated funds shall not be more than one per cent per annum of their total amount.

(3) In lieu of all profits, the Jubilee Members' Fund shall receive annually the sum of \$2,000, which shall be paid its beneficiaries in accordance with the provisions of the By-Laws; provided, however, that when the total claims of Jubilee Members shall be less than \$2,000 per annum, the amount of such claims only shall be paid.

(4) After fulfilling these conditions, the excess income shall be placed in the Conference Fund for distribution or endowment as the Board of Managers may decide.

Upon Invitation of Chairman Hollenback, the Treasurer read and presented the following paper, which on motion by W. T. Scott was adopted with the appreciation of the Conference:

In view of the fact that Rose W. and Wilbur F. Steele have given of their living the sum of \$5,000 to the Board of Foreign Missions and the sum of \$5,000 to the Methodist Episcopal Colorado Conference Preachers' Aid Society, on annuity, the latter gift upon her condition;

Resolved, That we as members of said Society and of the Colorado Conference hereby covenant with the givers and the survivor of them, that the existence of the income of these annuity gifts to the Church shall never be countenanced by them as ground for disallowing any Disciplinary Conference Annuities accruing to either of them.

Resolved further, That we authorize and request the President and Secretary of both bodies to sign this agreement on our behalf.

(Signed)

FRANK R. HOLLENBACK, *Vice President of Society.*
JOHN COLLINS, *Secretary of Society.*
CHAS. L. MEAD, *President of Conference.*
W. F. STEELE, *Secretary of Conference.*

As Matter of Equity for charges participating in the Conference Claimants' drive of 1918, on motion by J. J. Lace the following was ordered:

Resolved, That the Conference Board of Stewards in making apportionment to meet the authorized claims of Conference Claimants be and they are hereby instructed to add to such apportionment a sum sufficient to cover six per cent interest upon such advanced payments by charges upon their 1918 apportionments for Conference Claimants Endowment Funds, which six per cent amounts shall be credited so as to reduce the Conference Claimants' annual apportionments to such charges.

The Constitutional Meeting of the Preachers' Aid Society adjourned, and the Bishop resumed the chair.

In Lieu of Stolen Vouchers in the case of Mrs. Dillon, of Simpson Church, on motion of O. W. Auman it was ordered that her cancelled cheques be accepted as vouchers.

Similarly, on motion of C. A. Wright, amended by G. S. Lackland, it was ordered that where there is evidence that money has been sent to benevolent boards, and vouchers are delayed or lacking, the Reporter be permitted to be given credit in the Conference Minutes upon his personal voucher, to be corroborated to the Treasurer within ten days by official voucher.

E. N. Edgerton and C. W. Hancher were passed as to character, and read their reports.

General Causes were presented by D. D. Forsyth, of the Home Missions Board; J. M. Travis, of the Association for the Near East Relief; W. D. Howells, the General Deaconess Board; and N. E. Davis, of the Board of Hospitals and Homes.

Question 14 was asked, and strictly answered by the Superintendents.

Area Secretary Wayne C. Williams was invited on motion of O. W. Auman to speak at 11 o'clock on Friday.

The Conference Adjourned with the benediction by J. Wesley Smith, of the St. Paul's Methodist Church, South, of Denver.

* THIRD DAY, FRIDAY, SEPTEMBER 3, 1920

The Session Opened at 8:30 o'clock, with devotional service conducted by the Bishop.

The Journal of the previous session was read, corrected, and approved.

The Names of Charges Delinquent in making statistical reports were read.

Question 1 was asked, and the Secretary was instructed to secure information that will next year lead to a better answer.

Question 4: Who Have Been Received on Credentials and from what Church? Upon recommendation of the Relations Board, Fletcher M. Miller, from the Methodist Episcopal Church, South, was admitted to full connection, his orders being recognized. Also, Russell H. Warren, from the Holiness Movement Church of Canada, was admitted to full connection, and his ordination as Deacon recognized, and placed in the third year's studies.

Question 5: Who Have Been Received on Trial? Charles C. Webber, duly recommended by the Denver District Conference and by Examiners, Relations Board, and Superintendent, was received on trial, elected a Deacon under the seminary rule, and placed in the third year's studies, he not being present because of convalescence in the hospital.

McKendree DeMotte, duly recommended by the Grand Junction District Conference, and similarly, was received on trial, he having been ordained Elder by Bishop Ninde, and having served sixty years as a local preacher. Was placed in the studies of the third year. The

uniqueness of his reception lies in the fact that at the age of 78 he continues in demand as a pastor. Owing to poor health in youth, he declined to enter the traveling connection in the days of Peter Cartwright, but has wrought with care of his health for sixty years as a local preacher, usually in charge.

The Matter of An Episcopal Residence was brought up by C. W. Hancher, on whose motion the following was endorsed:

At a meeting of the Cabinet of the Colorado Conference, July 27, 1920, in Trinity Church, Denver, Bishop Mead in the chair, the following was unanimously adopted:

"Moved by F. R. Hollenback and seconded by C. W. Hancher that a committee be appointed by each Cabinet in the Denver Area, and that each committee meet as soon as possible, to raise a commission of layment who will proceed to formulate plans for the purchase of and payment for a suitable property in Denver to be used as an Episcopal residence. The Colorado Conference to consist of C. B. Wilcox, C. A. Wright, C. O. Thobodeau, W. T. Scott, A. L. T. Ewart."

Quarterly Apportionments to Charges for Claimants. Upon motion by the Secretary, it was ordered that henceforth the Stewards should be requested and authorized to compute, report, and speak of all appropriations to claimants and all apportionments to charges as so much per quarter, rather than year, as hitherto.

As to the **Peniel Trust**, F. R. Hollenback presented the report of the trustees, which on motion by C. A. Brooks was adopted, carrying with it the re-election of the trustees, O. W. Auman, F. R. Hollenback, and I. J. Keator.

Questions 23 and 24. On motion by W. T. Scott, the Secretary was authorized in our Conference minutes to use practically the form of answer to Questions 23 and 24 that was unanimously recommended by the Itinerancy Committee at Des Moines but failed of action through lack of time. It will classify those residing outside the Conference bounds with respect to their having sent or failed to send the certificate of ministerial and Christian character required by the discipline.

Addresses were made by A. A. Parker, of India, and A. J. Finch, of the Colorado Anti-Saloon League.

Colorado Federation of Labor. As the order of the day, G. S. Lackland stated that a year ago he had been appointed by the Conference a fraternal delegate to the Colorado Federation of Labor, and that he had been kindly received with extension of time for speaking; and that as a return fraternal delegate, J. T. Bulger, president of that body, had been appointed, who was present, he through physical exhaustion asking W. C. Thornton, vice-president, to speak in his stead, which he did.

Area Secretary Wayne C. Williams, the next order of the day being due, was asked to address the Conference in laying down the work of that office.

Reverting to the Address of W. C. Thornton, A. L. Chase moved that the other side be heard, upon which G. S. Lackland moved to

amend by giving the Employers' Association the opportunity to send a fraternal delegate. Upon motion of E. M. Cox the entire matter was laid upon the table.

The Election of a New Class of Iliff School Trustees was had on motion by L. B. Longacre. (See Organization.)

The Relations of the Iliff School of Theology, as ascertained by a committee appointed last year, were set forth in a report by A. F. Ragatz, reaching the following conclusion, the whole report being adopted:

"In view of these facts (brought to our attention) your committee takes pleasure in reporting that in its opinion the relationship between the Colorado Conference and the Iliff School of Theology is all that could be desired, and that the Methodist Episcopal Church and the Colorado Conference have full powers in the control of its policies." (Signed) James A. Beebe, O. W. Auman, A. F. Ragatz.

Disallowance Proposal. Upon motion by J. W. Mahood, seconded by many others, the following was adopted:

Whereas, several of our claimants well enough to do to pay Federal Income Tax are voluntarily declining to take their claims wholly or in part, from year to year; and

Whereas, it is the sense of the Conference that our Methodist ideal and law contemplate, not its retired ministry's luxury or increasing enrichment, but merely the ever-ready guaranty of a year-by-year comfortable support, our appeals in behalf of this cause being always on this basis;

Resolved, That it is the sense of this body that the issuance of a receipt for the payment by a claimant person or couple the year preceding of a Federal Income Tax on an amount exceeding a couple's lawful exemption, is to be held as proof of the receipt already and therein of the means of the comfortable support named in the Discipline.

Resolved further, That the Conference invites the Conference Stewards to suggest in every such case the propriety of a voluntary relinquishment to the Conference Permanent Fund on annual interest to relinquisher if needed, of so much of the annuities of the same as made or will make the net taxable income exceed the exemption to a married couple.

Resolved further, That in case such voluntary relinquishment is not forthcoming in any relevant year, the Conference will favorably consider a recommendation on the part of the Conference Steward; that the payment of such excess be disallowed, after claimant's opportunity to be heard.

Question 23: Who Are the Supernumerary Ministers? Gratton U. Balsley, with the required certificate of ministerial and Christian character received, and living in Clarksburg, West Virginia, was granted the retired relation, J. W. Mahood as his representative stating that he is a non-annuitant.

Continued Supernumerary was G. W. Cook (2), J. A. Large (3), Edward Nolte (4), J. A. Shepherd (3), A. Roedel (5), and R. W. Webster (2), all living within bounds. The same, residing outside Conference bounds, but without receipt of required certificate, W. T. Miller by two-thirds vote (6), Etna Mills, California; J. Albert Dean (2), El Paso, Texas; H. H. E. Pohl (2), Guthrie, Oklahoma.

Under Question 24, Who Are the Retired Ministers? W. S. Grim was given the retired relation on the board's recommendation, on the the ground of disability evidenced by physician's certificate.

Former Secretary Ragatz Presented His Report of the Minutes Fund and of his office, showing a balance due him of \$103.90, prop-

erly signed by Auditor Zimmerman, which was ordered paid out of receipts for this year.

After announcements the Conference adjourned, with the benediction by C. B. Spencer.

FOURTH DAY, SATURDAY, SEPTEMBER 4, 1920

The Session Opened at 8:30 a. m., with an address by the Bishop.

The Journal of the preceding session was read, corrected, and approved.

The Election of a New Class of Trustees of Iliff School of Theology was reported. (See Organization.)

Rules of Order and Conference Procedure. On motion by L. B. Longacre a committee of three, ultimately named as himself, J. W. Mahood, and C. A. Wright, was appointed to prepare after adjournment the required rules of order and Conference procedure, the same to be printed in the proper place in the Year Book for adoption at next session.

Property Transfer. On motion by F. R. Hollenback the amount of \$1,884—proceeds of the Boxelder Church and parsonage property on the Greeley District—are turned over to the First Church in Fort Collins, whither a majority of the working members have transferred their membership.

The Stained-Glass Windows from our church at Telluride were on motion by E. N. Edgerton ordered turned over to our church at Olathe.

From the Conference Social Service Commission, L. B. Longacre presented the report, which was adopted. (See Reports.) On motion of the same, B. B. Kessler was added to the re-elected commission.

Fred Steely addressed the Conference upon the student Christian activities at the University of Denver.

The Movement for the Salvation of the Little Child was presented by John Oliver, and his report and recommendation were adopted:

We beg to report that this movement has made considerable progress during the past year and is still pursuing its aims; and we request that R. R. Adams, A. L. Chase, R. H. Ayres and Manuel Anderson, of Haxtun, be constituted its Board of Control for the ensuing year.

C. A. Wright Requested the Floor for J. L. Spargo, who presented resolutions prepared by a meeting of a large majority of those in pastoral charge, and he presented the following, which were adopted:

We think it unwise that any apportionment or campaign, contemplating an every-member canvass, be made to the churches this year, other than the Centenary and other benevolences ordered by the General Conference; but we will open our churches to the representatives of any Conference institution to present its claim and will encourage the raising of the same.

That it is the sense of this body that in the better grade of charges no church shall secure a pastor outside of this Conference, unless some man in this Conference be transferred out on a practically equal basis; also that the Bishop first try to secure a man in this Conference.

Believing that the cause of Conference Claimants in the Colorado Conference should receive special attention in the next few years, we hereby request the Bishop to appoint a member of this Conference as an associate laborer with Rev. John Collins, that he may create and carry out an enlarged financial program for our veterans. We suggest that the member so appointed shall be of such age and zeal that we may expect a goodly number of years of service in this field.

Question 23 Was Resumed. On recommendation by the Relations Board, J. H. Boner was made effective; A. C. Thurlow was continued the second year; W. F. Clark, residing outside in Seattle, without receipt of required certificate, was continued the second year; J. N. Rodeheaver, S. A. Webber, W. M. Garner, and J. S. Ferris were granted the relation the first year. On recommendation of the board, the name of T. J. Hooper was referred to a committee of seven, consisting of C. O. Thibodeau, G. G. Saywell, J. J. Lace, G. F. Klein, F. T. Krueger, A. L. Chase, J. W. Mahood, with W. E. Collett appointed by the Bishop to represent T. J. Hooper before the same.

Thomas J. Hamilton, at his request, upon the ground of reaching the minimum age, was granted the retired relation, he volunteering the deposit of his year's annuities in the Conference Patrons' Fund on interest, according to its rules.

Charles B. Wilcox received the retired relation at his option, upon the double ground of serving 40 years as a Conference member and of having reached the age of 69. He spoke feelingly, as did others, and Bishop Mead made him at sight Pastor Emeritus of the Colorado Conference. He requested that his annuities be deposited in the Patrons' Fund.

On Motion by J. R. Wood, J. F. White was continued retired. With the exception of B. T. Vincent, deceased, the entire list was continued on the ground of age, service, or disability.

The Veterans of the Cross Fellowship were invited by the Bishop to the front seats, and on motion by James Thomas the mother of Bishop Mead, herself the widow of a noted Methodist Minister, was given a seat beside her son, while he spoke great words and comforting thoughts to the veterans, with responses from some of them.

Question 8: Who Are Admitted into Full Membership? Upon threefold recommendation, Russell S. Jones, Lonnie G. Honnold, Robert E. Scarffe, Raymond V. Holwell, and Verne C. Soash were admitted and elected to the order of Deacon, as under the seminary rule was Homer A. Fintel, after the Bishop's address and their answers to the usual questions.

Question 5 Was Resumed. Gabriel S. Upton, on due recommendation, was received on trial.

F. H. Zimmerman and P. M. Chapman were excused from further attendance.

Presented by the Bishop were S. A. Stripling, of the Lincoln Conference, pastor of the Scott Church in Denver; H. A. Larson, of Trinity Church, Federal prohibition official, and J. R. Gettys.

Upon Motion by the Present Secretary, A. F. Ragatz, G. S. Lackland, and O. W. Auman were appointed a committee to recommend condensations in the size of the minutes.

Adjournment to the Iliff School of Theology at 2 o'clock p. m. was voted, with the benediction by J. R. Gettys.

**AFTERNOON SESSION, FOURTH DAY, SATURDAY,
SEPTEMBER 4, 1920**

At 2 o'Clock the Bishop took the chair, calling upon J. J. Lace for prayer.

The Reading of the Journal of the morning session was postponed until Monday.

T. A. Stafford, of the Board of Conference Claimants, was introduced and spoke of the enlarged plans of that Board for the Colorado Conference.

Question 5 Was Returned, and Milford W. Forsyth, duly recommended, was received on trial.

Question 6: Who Are Continued on Trial (a) in studies of the first year? Charles Hardesty, Donald H. Tippet, Owen M. Geer, Horace G. Robson, Ray Altaffer (transferred in from Oklahoma Conference) were continued in the first year.

Delmar D. Woodworth was discontinued at his request. Albert R. Dennis was continued in the studies of the first year since 1915; was continued another year, with notice that if all that year's work is not brought up at next Conference, he will be discontinued.

(b) In studies of the second year? Ralph D. Mulhollen was advanced in studies of second year.

William E. Hall was passed to studies of the third year, conditioned on written work.

James R. Jones was continued in studies of second year, and elected a Deacon as a Local Preacher. Ralph O. Taylor and James S. Brownell were continued in second year's studies.

Walter E. White and Harry C. Roerig were elected Deacons as Local Preachers, and the latter also an Elder.

L. C. Elver was elected an Elder as a Local Preacher, and Paul A. Shields in order.

Question 9. H. J. Bané, Paul Chapman, Fred B. Moore, and Warren L. Botkin were continued in third year's studies. John L. Spargo was passed out of the Course.

W. W. Speer was referred to the Relations Board.

Question 10. S. A. Curtis was continued in the fourth year.

E. G. Estlow was passed out of the Course and elected an Elder, as was I. Oscar Hall, transferred in from the Nw. Iowa Conference.

Charles R. Oaten, of the Board of Conference Claimants, was introduced.

Question 17. Located at their own request were Wilfred C. Cronk and William J. Kidd.

As **Special Appointee to Outside Work**, the Conference by a two-thirds vote confirmed the appointment recommended by the District Superintendents of George F. Rassweiler as professor in Bucknell University, upon his offer to relinquish all annuity to arise from such outside service during 1920-21.

By **Like Two-thirds Vote**, confirmation was given for the appointment of Paul M. Spencer to the Church of the Strangers, New York City; John T. Carson to a Union Church in Rio Hondo, Texas; A. C. Peck to the City Temple Institutional Society of Denver; and F. E. McGuire to the Union Church in San Juan, Porto Rico.

The Conference adjourned to the University evening program.

FIFTH DAY, MONDAY, SEPTEMBER 6, 1920.

The Session Opened at 8:30 o'clock a. m., with devotional exercises by the Bishop.

The Journal of Saturday's sessions was read, corrected, and approved.

W. T. Scott Offered and Moved the Following, which was adopted by a rising vote of 79 to 12:

Resolved, That as Methodist preachers of the Gospel of the "second mile," and as American citizens and freemen under the protection of our free institutions, we can not approve of any interpretation of "the right of workmen to organize and to bargain collectively through representatives of their own choosing," which would in any way hamper or infringe upon the right of an individual to bargain individually for employment where he wills, and to be protected in such right and such work by all our Governments from injury to life, reputation, person and property.

(Signed) W. T. Scott, J. J. Lace, S. H. Kirkbride, G. G. Saywell, W. F. Steele, E. N. Edgerton, H. A. Buchtel.

The Sending of a Copy of the Conference Social Service Commission report as adopted on Saturday, together with the resolution just passed, to the Rocky Mountain News for publication, was ordered on motion by J. R. Rader.

As **Facilitating the Work of the Traveling Preacher**, William G. Evans, of the State Railway Commission, addressed the Conference as to the tri-tunnel amendment.

As the Education Report Was Presented, and Chancellor Buchtel arose to give thereon his twenty-first annual report, he was suddenly stricken and was removed from the room helpless. Upon word as to the seriousness of the attack, C. B. Spøencer led in earnest prayer, the Conference standing.

His Report Was Read by E. N. Edgerton, and thereafter the Committee's report was read, the parts being adopted seriatim. First: "We pledge our efforts, after counsel with our official boards, to secure an amount equal to \$1 per member throughout the Conference for the University of Denver." Second, which Chancellor Buchtel had asked the privilege of moving: To indorse the proposed constitutional amendment to provide relief for the faculties of the five tax-supported institutions of higher learning. Third: In approbation of the Iliff School of Theology (see reports). The adoption carried with it the elections contained therein. Ira DeLong explained and urged the second part of the report.

The Secretary Upon Request of O. W. Auman presented the following paper, which was without debate unanimously adopted—a policy of welcome and protection:

Whereas, Two-thirds of Colorado's population born outside the State, and two-thirds of the members of the Colorado Conference, sought residence therein primarily for health-seeking reasons; and

Whereas, We have no right to forbid or make inaccessible to any smitten Conference brother in the East, our helpful sunshine and curative air; and

Whereas, An Annual Conference is now authorized to grant a member the Retired Relation for "disability," even without his consent, with full right to annuity and other necessary support; and

Whereas, It was reported on the General Conference floor as ground for action taken, that one-fourth of our Colorado Claimants' Annuity obligation, or a greater amount than in any Conference in the Church, and more than the total annuity obligation of any one of forty Annual Conferences, arises from the fact that ours is the world's house of health; therefore, be it

Resolved, That after due correspondence, with outstretched hand and cheering word, the Colorado Conference heartily welcomes any smitten brother minister of any eastern Conference, advised by his physician for any reason to seek Colorado for recuperation, to such "supply work" as he may safely and recuperatively undertake, and our strenuous and exacting frontier Charges will accept, *provided by his own annual conference served in health he first shall be granted, and continued in, the retired relation for disability and abundantly supplied with annuity and other funds necessary, while he here with our cheer begins his great fight back to health and ability.* If he wins, as the few starting early enough and well provided enough may, a transfer will be considered, unless in gratitude he shall prefer to resume his rank and effective work in his old Conference. If he does not win, as the many starting too late and too scantily provided do not, any claims arising will justly and gladly be met by the Conference and Charges that had his service in health. The same Scripture that exhorts to bear one another's burden, quickly adds: Let every one carry his own load!

Resolved further, That this welcoming and protective declaration, with the obituary excerpts showing its equity and necessity, be printed by the Secretary in envelope size, and the Resident Bishop and the District Superintendents kept and keep themselves well supplied therewith for their correspondence, and that at Conference expense upon the appearance of each Methodist Year Book the Secretary shall mail to each of our Bishops and chief District Superintendents east of the Colorado line a copy thereof, to the end that all shall become saturated with what all concerned shall justly do. As a business proposition the cure and return—the salvaging—of a fine disabled preacher to his Conference enabled, is worth to it the fires if not tens of thousands of dollars it may expend thereon; a new and wise and legitimate use of Conference Claimants' Funds. Hospital we are willing to be, but we can not "pay the freight."

It is infinitely more just for fifty*rich Conferences to bear the cost of restoring one unfortunate each, than to ask the one pioneer Conference to assume the fifty.

No less than seven retired men of other Conferences are "supplying" in Colorado. With necessary support from their Conferences and as "supply" here, they are as comfortable while recovering as if transferred to average Charge. This is systematic kindness.

Several of these cases of failing health have cost frontier Colorado Methodism in annuity or necessitous claims over \$4,000 each, and the end not yet.

As to the **Appointment of an Associate Conference Claimants' Agent**, the Bishop asked whence his support was to come. Thereupon on motion by F. R. Hollenback, the matter of such employment was turned over to a commission to consist of the Bishop, the District Superintendents, and the Managers of the Preachers' Aid Society to make a plan for such appointment next year, or earlier, if deemed desirable, all in the interest of assisting and relieving John Collins, remarkable agent for a score of years.

C. B. Spencer, our Editor of the Central Christian Advocate, was introduced, and spoke on the worth of the printed page.

The Secretary Presented a Resolution, which was adopted, calling for the constituting of a Board on Confirming Outside Special Appointments, to consist of nine, to be like the Board of Relations, charged with acquainting themselves independently and the Conference and the outside servers and served, as to the nature of such appointments, and the cost to the Conference at any age for a year's such service in the way of annuity responsibility. Such board was named by the Bishop, to organize during the year. (See Organization.)

Transfers In and Out were announced (See Disciplinary Questions).

Reports were received.

Adjourned to meet at 2 o'clock, with benediction by A. L. Chase.

AFTERNOON SESSION, MONDAY, FIFTH DAY, SEPT. 6, 1920.

By the Bishop's Appointment, at 2 o'clock p. m., C. A. Wright took the chair, calling upon J. M. Bennington to pray.

Reading of the Morning Journal was had, and the same was approved.

Reports were presented and adopted (See Reports).

The Printed Minutes were voted the official journal, on motion by A. F. Ragatz, who also presented not for print the findings of the committee as to possible reductions for the guidance of the Secretary.

What to Report as Annual Conference Benevolences, was ordered by the committee to be as follows: University of Denver Endowment; Bethel Hospital; Iliff School of Theology; Annual Conference Expense. However, vouchers for any or all of the following may be totaled as a single item under "Other Benevolences," to-wit: Anti-Saloon League, McClelland Orphanage, State and County Sunday School Associations; State and District Epworth League dues.

The Stewards' Report was presented by John Collins, and the Conference approved necessitous additions for certain needy young widows of \$154 a quarter. They reported that they proposed to follow the

custom and vote of the Conference, and to apportion to the Charges upon the fourfold test as to several ability, in use for ten years. The Secretary asked that C. A. Wright be heard as to the pastor's support alone as the best test of the ability of a Charge. He presented his case most clearly, and W. T. Scott moved that the Stewards be requested to reconsider their basis of apportionment, which motion was tabled on motion by J. M. Eldridge. On motion by the Secretary it was ordered that there be no waiting for the Grade Points from Chicago, but that the apportionments be made up from the figures reported at this session, one-quarter being apportioned according to pastor's salary received including house rent; one-quarter according to full members; one-quarter according to clear church and parsonage property; and one-quarter according to the total amount of the General Conference Benevolences.

A. L. T. Ewert, to whom were added W. T. Scott and L. B. Longacre, prepared and presented a most earnest protest to the Governor against the opening of the State Fair on a Sunday.

At the Suffering Chancellor's Request, Dean Howe was presented to explain how work could be done by Preachers desiring to complete their A. B. course.

Treasurer Ingraham presented his preliminary report, subject to revision within ten days. He was elected Treasurer for next year, as was F. H. Zimmerman, Auditor, and C. A. Wright, Statistician.

He Also Presented a Set of Drastic Rules as to reports to Treasurer and Statistician, which were adopted (See Special Committee Reports).

Two New Stewards were elected, and in recess as Preachers' Aid meeting, the vacancies in its Board of Managers were filled.

The Sympathies of the Conference were sent to Chancellor Buchtel by the Secretary.

Statistician Wright presented his report, showing goodly gains.

Upon the Bishop's Taking the Chair, on recommendation by the Relations Board, Ceil D. Basham was continued Supernumerary, S. L. Ford, John Brand and W. W. Speer were made Supernumerary. For the Committee of Seven, G. F. Kline reported recommending Thomas J. Hooper's location, and the report was adopted.

A Janitor's Collection was taken on motion by J. T. Bainbridge, amounting to about \$28.

Place and Entertainment of the Next Conference. On motion by R. H. Forrester, amended by L. B. Longacre, the District Superintendents were empowered to act, and to bring in a plan for Conference entertainment and expense.

Resolutions of Appreciation were presented and adopted.

Miss Eunice Britt, of the Kansas City Training School, was presented and spoke of that institution and its work and its great need of young women.

C. O. Thibodeau, as Alumnus of the University, was asked to lead in prayer for Chancellor Buchtel.

For the Cabinet, C. W. Hancher asked that authority be granted them to apportion to the Districts and Charges the Home Missionary money for necessitous Charges; and to name the various Boards and Standing Committees unnamed. Granted.

On motion by J. W. Mahood, and consent of the Bishop, the Journal of the afternoon session was approved without reading.

It was ordered that after the reading of the Appointments and the Benediction by the Bishop, the Conference stand adjourned sine die.

(a) DISTRICT SUPERINTENDENTS

(Secretary's privileged explanation. Former Secretary Ragatz most perfectly prepared to lay down the work of Secretary, securing a bid and raising the money for duplicating the 1919 Minutes and delivering for about \$600 for 500 copies. Upon closer examination of the Minutes after Conference and a rise or two, the bidder announced that he lacked type-face for duplicating the work, and otherwise he lacked warmth toward the job. During the session a Methodist had asked for a chance to bid on the job. His bid was invited. It reads: "\$1,425 for 500 copies," or \$2.85 a copy, plus carriage.

With heart that stopped beating, communication was had with several leading members of the Conference as to the outlook. Several of the District Superintendents at once volunteered the omission of their Reports. A number advised condensation to the limit, and the omission of all possible not mentioned in the Standard Table of Contents ordered by the new Discipline. This course has cast large and chilling responsibility upon the Secretary. A General Directory replaces the Pastoral and Annuitants' Record. For unwelcome reductions met, the Secretary craves pardon. Even in this world any dozen Conference Secretaries do "sit on twelve thorns." These greatly reduced Minutes are costing about 60c a copy. For a deficit, kindly prepare. Or better a thousand times, move and vote for the advance purchase by every Official Board of copies for every Official Member, including whomever may be Pastor, all to be sent to some *non-itinerant* Lay Official.)

(b) STANDING COMMITTEES AND BOARDS ON EDUCATION

I. *University of Denver.* The facts about the growth of the University of Denver, as outlined in the Chancellor's twenty-first report, ought to be brought to the attention of all our people. We therefore request our pastors to use these facts in some engaging ways in talks on denominational development and on the fundamental need of sustaining our own church schools. We are deeply gratified that so fine advance has been made, during the last twenty-one years, in the average gifts to the University thru our own Churches.

The increase in the receipts on endowment account from our friends in Colorado and thru the pro rata gifts from the General Education Board make it clear that we shall soon see the completion of this present endowment campaign. Following that will come the beginning of the larger things for the life of the school.

We pledge our efforts, after due counsel with our official Boards, to secure an amount equal to \$1 per member throughout the Conference. (For Trustees and Members of the Executive Committee nominated and elected, see Organization.)

II. *Educational Amendment to Constitution.* (The motion to recommend to all this amendment was prepared by Chancellor Buchtel himself most strongly. Only his sudden stroke of apoplexy prevented his participation in its adoption. As the amendment has since been adopted, it is here omitted.—PUB.)

III. *Iliff School of Theology.* We recognize therein an institution whose growing influence is felt far beyond the bounds of our own immediate area. Since the reopening of the School in 1910 it has taken high rank among the theological schools of the country. The fine work done by her alumni at home and abroad is her fruitful contribution to Methodist power and efficiency. In the whole Rocky Mountain Region

she has offered a Christian leadership recognized and welcomed not only by our own conference and connection, but by many others seeking religious guidance in the perplexing situations of our common life.

We sincerely regret the loss of Dr. James A. Beebe from the presidency of the School, but we cannot be blind to the fact that his call to Boston testifies to the type of leadership that has been directing here for the past five years.

We realize that the work of the school has been accomplished in spite of limited resources, whose inadequacy becomes increasingly evident as the work proceeds. We therefore recommend that the School be authorized to ask from the Conference the same amount as was authorized last year, viz.: \$1,500.

GEORGE F. KLEIN, *Chairman*.

BETH-EL HOSPITAL

Beth-El has had the largest increase in financial returns and in service rendered in its history. Almost 2,000 patients were cared for. The W. H. M. Society loaned the Hospital last fall \$10,000 to relieve it of current indebtedness, since which action all bills have been met monthly. Of the debt of \$37,525, \$20,000 is carried by the W. H. M. S.; \$11,025 by the Conference W. H. M. S. and interested friends, leaving \$6,500 due parties outside our Church. Patients are received without regard to creed, color or nationality. Ministers and their families are cared for at half rate, or without charge when necessary. Beth-El is deservedly popular with the best physicians and surgeons. For lack of room many patients have to be turned away. We have 25 nurses in high training. The local management is vested in a Superintendent and Local Board of Directors, composed of three of our leading Methodist laymen. A Women's Board co-operates. A Deaconess resides and ministers in the institution. Especially needed are \$37,525 to pay off debt; endowment to cover half-pay or free work; a tuberculosis wing; and cash and supplies for current need. We plead for loyal interest in Beth-El as a Conference institution, and especially a ten-cents-per-member collection, remitted for winter needs.

WOMAN'S FOREIGN MISSIONARY SOCIETY

This earnest body has had its best year thus far in this Conference. Increase everywhere. New Auxiliaries at Holly, Rocky Ford, Clifton, Hudson, Eads. Auxiliaries now number 68, with total membership of all kinds of 3,913. Four of the finest young women have volunteered this year: Bessie Meeker and Alice Wilcox from Trinity, Denver, supported by that church, to China; Miss Killerffer and Miss Lewis went from Grand Junction to Japan. For the support of these and the work in general, our pledge of \$16,400 for the past year has been met. Assumed by our Conference society has been Brindihan Hospital, to which in cash and supplies collected we have sent thousands of dollars. In reality the work of this Woman's Society has but just begun, and without a moment's hesitation every pastor should aid in every way the women missionary workers in his charge, as they stimulate every other form of Christian work.

TEMPERANCE, PROHIBITION AND PUBLIC MORALS

We heartily commend our Board of Temperance, Prohibition and Public Morals at Washington, D. C. It has held street meetings before two million listeners; distributed millions of leaflets, some in foreign tongues; fought liquor advertising until 9,000 newspapers had abandoned such; fought for governmental moral protection to

our soldiers; figured most conspicuously in the battle for national prohibition; opposed the American Tobacco Trust in its efforts to fasten upon our young men in the army and at home the cigarette slavery. It has established temperance headquarters in South America and Mexico; also is distributing vast quantities of literature to assist the temperance movement in England, Scotland, France and Austria. It works in Japan, the Philippines and India.

All should make substantial contributions for the erection of strategic headquarters building for moral uplift at the National Capital.

We urge also the continued support of the Colorado Anti-Saloon League in its fierce fight to withstand the liquor-men's attempt to overthrow or impair our Constitutional prohibition.

***The conclusion of Mayo & Co., Certified Public Accountants, audit report, August, 1920:

"The management is to be commended for the careful and business-like manner in which its affairs have been administered. All papers were found in order, all interest has been collected when due, and at no time during the year has there been a material excess of funds not earning interest."

***From the office of the Board at Chicago comes word of the great service which the Colorado Conference has rendered in stimulating other conferences all over the Church to go and do likewise. Also that to a greater extent than any other we are regarding the disciplinary requirement as the *minimum* only. "Shall not be less than" implies "may be more than." Through thrift and saving on the part of some

and through gifts by those friendly to those thrifty and provident, funds are accumulating which materially increase the support of certain beneficiaries beyond the disciplinary minimum. The Board gives us the palm in this.

***By the new discipline, as to the annuity support of claimants the Conference Stewards are henceforth the servants of the General Conference, and not as heretofore of the Annual Conference, save as to the trifle needed for special necessitous cases. The only amount left subject to Conference approval is about 2 per cent of the total, for six widows with insufficient annuities. After a dozen years of miscarriage the General Conference determined that its will should be carried out, and so charges the Stewards, who are to compute and apportion.

***Trinity and Grant Avenue, Denver, have been singularly conspicuous by paying monthly. They are now joined by First Church, Colorado Springs—all leading and pace-setting churches.

***Charges remitted before Conference in 1910, \$0; 1915, \$915; 1919, \$10,613; 1920-21, \$?????

***Claimants were partially paid in 1910, \$6,159; 1915, \$13,975; fully in 1919, \$32,857; 1920-21 paid already \$17,000 toward their \$43,000.

***The legal name of the body is "The Methodist Episcopal Colorado Conference Preachers' Aid Society," and for the sake of perfect safety it should always be used, as the banks know it only thereby. Draw all cheques (as well as make all wills, etc.) to the order of the Society, abbreviated perhaps to "The M. E. C. C. Preachers' Aid Society," and mail to the Rev. THE AMERICAN BIBLE SOCIETY

We view with gratification the achievement of this Society in trebling the past year the issues of any previous year. As never before is the heart of mankind yearning for "the letter from home—The Lord of God. We rejoice in the splendid way in which the Society is meeting the world need, and believe the pre-eminent appeal for the observance of a Universal Bible Sunday will be of permanent good.

GEO. E. KITCHEN, *Chairman.*

P. D. GRIFFIN, *Secretary.*

THE BOARD OF SUNDAY SCHOOLS

All records indicate this to have been a phenomenal year with our Sunday School Board, which, as an institution, is the prospector seeking out sources of future denominational strength. We must note that the religious life of a community may be brought to a focus in, and the diverse religious life of a community harmonized and harnessed for definite, effective, community service by, the Sunday School. We must continually keep the Child in the foreground, yet continually stressing the fact that the Sunday School is not a juvenile institution—an organization for youth merely. Since 85 per cent of the church of tomorrow is in the Sunday School of today, the Church may measure its significance and efficiency by measuring the interest and attention which it is now giving the theme of Religious Education, of which the Sunday School is the center. Therefore, we believe that in even the smaller schools there are greater opportunities than yet realized for Teacher Training Classes. We call attention to the importance and opportunity that the Vacation Week-Day School affords in training our children more efficiently for religious endeavor. Finally, as the Board's Superintendent for this Area has resigned, we feel the dire need of the appointment of another to carry on such work, and we beg his appointment.

A. E. HOOVER, *Chairman,*

R. R. ADAMS, *Secretary.*

EDUCATION FOR NEGROES

Let it be the sense of this Conference: First, that race, color, or previous condition of servitude shall not in any manner abridge our efforts for the social, political, religious welfare of any American. Second, that the soul of the problem is Christian. Third, that the solution of the problem is in Christ Jesus, our Lord and Master.

F. W. PIMLOTT, *Chairman*.

ON BOOKS AND PERIODICALS

The publications of the Methodist Book Concern are indispensable to the advancement of all our work. We urge all our ministers and laymen to make a more generous use of the Advocates, Sunday School literature and Epworth Herald. We are very grateful for the Book Concern's dividend from its profits of \$4,200, relieving thus much our Charges in their support of Conference Claimants.

J. R. RADER,
R. R. ADAMS,
F. C. SAGER.

WOMAN'S HOME MISSIONARY SOCIETY

The 40th year of this Society in Colorado has been one of wonderful achievement. Gained in membership 1,773 net. Has raised and disbursed over \$6,642. Has helped 36 institutions outside our state. Sent 434 young women to our Training Schools, beside helping Beth-El Hospital as elsewhere reported. This Society is exemplifying practical Christianity, and is well worthy of our support and co-operation.

A. M. CARPENTER, *Chairman*,
E. G. ESTLOW, *Secretary*.

STATE OF THE CHURCH

We rejoice in the success of the Centenary—evangelistic and financial. We urge our pastors and lay members to a continuance of their devotion to this great movement. We renew our loyalty to our great Church in all her world-wide enterprises in the interest of the Master's Kingdom, and we pledge our fidelity to all the legislation enacted by the General Conference. In these days of reconstruction and industrial turmoil and unrest, and in the present international and national opportunities for the advancement of human welfare, we call upon our Church to be true to the highest interests of Christ's Kingdom.

W. E. BELL, *Chairman*,
J. M. ELDRIDGE, *Secretary*.

REPORT OF THE COMMISSION ON SOCIAL SERVICE

We are keenly aware of the difficulty of steering a straight course through the troubled sea of the present social situation. We need light, we need judgment, we need courage. Some things, however, seem both clear and possible, and neither difficulty nor danger has ever been regarded by the church as an excuse for inactivity.

We therefore recommend: First, the appointment of fraternal delegates to the Employers' Association and to the Colorado State Federation of Labor. Our del-

egate to the latter body, appointed at the last conference, was most cordially received and granted the privilege of the floor.

Second. In recognition of the valuable work done by the Methodist Federation for Social Service under the able presidency of Bishop McConnell, and of the immediate need of increased financial resources to carry on that work, we recommend that the commission be authorized to solicit from the members of the conference, or through them from their charges, voluntary contributions for the support of the Federation.

Third. In view of the confusing character of some of the issues involved we recommend a definite affirmation by the conference that, in loyalty to the action of our own church, of our brother Methodists in Canada, of the Young Men's and Young Women's Christian Associations and other religious bodies, we cannot approve any interpretation of the so-called "open shop" principle that would in any way hamper or infringe the right of workmen to organize or to bargain collectively through representatives of their own choosing.

L. B. LONGACRE, *Chairman*,
G. S. LACKLAND, *Secretary*.

EPWORTH LEAGUE

This is a day of great opportunity for the young people of our churches. The Centenary Movement demands the consecration of more young people to life service. The call is imperative. The Epworth League is one of the foremost training schools in our Church for this purpose. It should be modernized as to program, so as to meet this present need, and thus become the leading spiritual force in the life of our young people.

VERNE C. SOASH,
AUTHOR P. GAINES,
JOHN M. FLYNN.

CONFERENCE DEACONESS BOARD

By late General Conference action there shall be in each Annual Conference having Deaconess work a Conference Deaconess Board made up of the District Superintendents, four other Conference members, nominated by the same and elected by the Annual Conference, and two representatives from the Board of Managers of each Deaconess institution within the Conference bounds.

This Board met on Sept. 2nd and organized by electing officers (see Organization) and also the following Standing Committees: On Transfers, Admission, Relation—T. B. Tyre, Reva Owen, Lorena Finley; on Work of Deaconesses, Reports—W. E. Bell; on Charters, Deeds, Insurance—A. C. Peck, W. D. Waller; on Annual Conference and Examinations—the Executive Committee.

A Deaconess, if serving a Church, shall be a member of such church and of its Quarterly Conference. In all other cases her Quarterly Conference membership shall be designated by the Bishop when making the appointment, and necessarily her membership shall be in the same church.

The standing of each Deaconess in the Conference was approved, and she was assigned as follows: Reva Owen, Violet Leach, Pueblo Deaconess Home; Mrs. Lorena Finley, Irene Cummings, Beulah Rayson, Catherine Risinger, Mabel Biggs, Mary Wright, Mary J. Harrison, Margaret Evans Deaconess Home, Denver.

Stella Peterson was elected Associate Deaconess, Pueblo. Grace Parker was transferred to New Mexico Conference; Katherine Deardorff to Dakota Conference;

Clara Stewart to Northwest Indiana Conference. Rhoda E. Sigler was reported as a Retired Deaconess. On recommendation of the Board of Managers of the Pueblo Deaconess Home, Rena W. Stevenson was granted retirement.

On vote of the Conference Deaconess Board, the following were granted a year's leave of absence: Lida C. Manning, Louise Swickheimer, Bertha Ragland, Lillian B. Cress, Clio Nesbit, Anna Burgess.

Our Deaconesses during the past year have made a total of 10,145 calls. Had aggregate attendance at classes and clubs, 8,754. Perhaps the hardest work shows the least in figures. God alone knows results, and it is with profound gratitude that we give Him thanks for His leading.

A. W. HALL, *Vice-President*.
LORENA FINLEY, *Secretary*.

SABBATH OBSERVANCE

For as much as the Sabbath is a vital and indispensable institution, founded on the nature of man and revelation from God, and is one of the foundation stones on which the Church, the State and Human Society in general are built; and inasmuch as this glorious heritage is being rapidly destroyed by the introduction of Sabbathless European customs, the greed of materialism, and the lax enforcement of Sabbath laws in a large number of ways;

We hereby declare our emphatic protest against the desecration of this holy day, and most solemnly urge all our ministers and people to do their utmost by precept and example to uphold and honor this glorious gift of God to the human race.

R. R. ADAMS, *President*,
JOSIAH MARTIN, *Secretary*.

COURTESY RESOLUTIONS

The Colorado Conference at its 58th Annual Session in Grant Avenue Church, Denver, wishes to record its heartfelt gratitude to God for His love and for this time and place for considering the business of the Kingdom here, and to Jesus Christ for His leadership, and to the Holy Spirit for His presence. We further express

Our love for our own Brother and Bishop Mead—this prophet, with honor in his own country, so loyally received; and to his forward-looking cabinet for their labors and leadership;

Our appreciation to Brother Thomas and wife and corps of workers for their toil and forethought in entertaining this Conference;

Our gratitude for the friendly hospitality of the opened homes of Denver;

Our gratefulness to Dr. Merton Rice and the program committee for his inspiring addresses;

Our thankfulness for the uplift given by our Brother D. D. Forsyth through his vigorous addresses and encouraging explanations;

Our delight and profit in the Educational Evening and Banquet furnished by Chancellor Buchtel and the University of Denver;

Our thanks to the Olinger Quartette for its music; the Iliff School for its chapel; the Broadway Bank for its manifold courtesies; and finally

To the ever faithful stay-at-home membership of the Charges at large, who during the year have wrought so truly and valiantly and victoriously, again we express our deepest thanks and esteem.

W. T. GATLEY, *Chairman*,
E. M. COX, *Secretary*.

(c) SPECIAL COMMITTEES

THE PENIEL TRUST ASSOCIATION

Preliminary Statement. Due to a number of causes, the affairs of the Peniel Trust Association became very much involved after the death of Henry Cole. It had a great number of creditors and its liabilities were large. Its property was for the most part poorly located and sadly out of repair. At this time, however, the Trustees can report that all the creditors of the association have been paid in full, with the exception mentioned in this report, and that eventually the association expects to have on hand cash in the amount of approximately \$2,000, in addition to the mining property mentioned herein.

Assets. (1) Three Lode Mining Claims, located in the Counties of Clear Creek and Gilpin, State of Colorado. Of uncertain value. (2) Mortgage for \$4,000 on a certain East Denver property—gilt-edged in every way, eventually to be paid in full. (3) Cash on hand, \$66.38.

Liabilities. Balance due on note held by Colorado National Bank for \$1,942.44. As security for it the notes before-mentioned have been deposited.

FRANK R. HOLLENBACK, *President*,
ORRIN W. AUMAN, *Secretary of Trust*.

ON REPORTING TO TREASURER

As Benevolences Ordered by Annual Conference may be reported separately as follows: University of Denver Endowment, Beth-El Hospital, Iliff School of Theology, Annual Conference Expense. VOUCHERS, however, for any or all of the following may be reported in total as a single item, under "Other Benevolences": Anti-Saloon League, McClelland Orphanage, State and County Sunday School Association, State and District Epworth League Dues.

No reports shall be received after the first day of the Conference session. No alterations or additions shall be allowed after a report is presented. In case any item is not reported according to instructions, the Treasurer or his assistant is not bound to make alteration, but may strike out all credit for that item. Exception to these rules shall be made only by action of the Conference, with the understanding that no action shall cover more than a single case.

XII. Memoirs

(Preserving the memoirs of Full Members and the Wives of surviving Full members.
Commemorating other immediate kindred departed in salient features only.)

Bethuel Thomas Vincent

The cause of God in Colorado felt its pulse beat faster when, in 1863, B. T. Vincent became pastor over the then great mining camp at Central City. His force was formative in the territorial days of Colorado in state and church. From 1876 to 1888 he wrought in Pennsylvania and Ohio, returning for his strongest work in the latter year. He wrought superbly at Pueblo, on the Denver District, at Greeley and Golden until 1908, when he became supernumerary, settling in Denver, where he wrought much of the time as occasion offered, becoming Retired in 1913. For special occasions he was ever in demand, and at the age of eighty-five he yielded to the call to lead for a year or more the same company at Central City to whom he first came in 1863—remarkable coincidence. They gave him a wonderful loving cup in appreciation, and he died their pastor, filled with their interests to the end. Without number are those who have been taught by Dr. Vincent in the churches he served and in the Chautauqua he loved.

B. T. Vincent became the "Grand Old Man" of Colorado Methodism. The Superannuated Methodist Preacher had a large place in his heart and head. In 1864 he reported at conference the first "Fifth Collection" for their benefit—\$55.70—from Black Hawk-Central City. Naturally, some years ago, upon the death of V. A. Cooper, founder of the Veterans of the Cross Fellowship, composed of the Retired of our whole Church, Dr. Vincent was chosen its President General, which he continued some four years, requesting relief last spring. Two or three times a year, at his own expense, he would send out a leaflet of four pages, replete with matter of interest to old preachers laid aside, and bearing messages of encouragement and good cheer. So valuable were these that on several occasions the Board of Conference Claimants at Chicago ordered an edition for sending to all the Retired in the connection. Only a year before his death he gave the Preachers' Aid Society \$2,000 to yield interest for claimants for all time.

Dr. Vincent was of strong and manly personality. He absolutely declined to discuss matters which adversely affected the life of a brother, either minister or layman. He said once that nearly all the differences and troubles which came up between Christians would never have been born if Christ's followers would do just one thing

the Master commanded; namely: Where misunderstandings arise, go and talk the matter over with the party affected, quietly and alone, instead of talking about it openly and with everybody else first.

In life Dr. Vincent stood with head above the clouds and all the littlenesses of men; his influence was wide and impressive because dignified by unassuming greatness. He never sought place, power, honor, or money. He never intimated, even to his closest friends, that he would be an adornment to some pulpit or that his services entitled him to a seat in the General Conference. He put his trust in God, and that faith was never withdrawn. And now, being dead, he keeps on speaking.

Most winsome was the love-life lived by Dr. and Mrs. Vincent all the days of their fifty-three years of married life. The New Testament figure of the bride and Bridegroom, representing the final and eternal life which Christ will live with his church when, together, they are crowned and enthroned, had a strong type in the deep, unostentatious affection which merged those two choice and blessed souls into one life. That life was as perfect as can be attained by those who inhabit material bodies and reside upon this material planet. It was a life of perfect trust and happiness, always radiant with the love-light which shone upward from their hearts and outward through their eyes.

This memoir thus far was read at the memorial service scarce a month after the death of Dr. Vincent. For more than a year Sister Vincent had been physically restored, sustained in a way wonderful in the eyes of all, to minister to him in his weakening and departure. A few days after his funeral her former troubles came on with great aggravation, and in a month after Conference, and before the printing of this memoir, she hastened after him. Not long were they parted. Each helped the other to be a helper to all with whom they came into contact. How enriched the world by their having passed through it! They gave themselves to others, and on all hands a wealth of good will, of admiration and reverence was poured out before them. None knew them but to love them. Their like, when shall we see again?

Elizabeth Clemens White

Elizabeth Clemens White was born in Penryn, Cornwall, England, June 1, 1847, and died August 22, 1920, in Arvada, Colo. She was married to Rev. J. F. White August 12, 1873, and came to be the mistress of the Methodist Episcopal Parsonage at Silver Plume in 1877. To this marriage five children were born, Estella, their child, dying in infancy at Idaho Springs. Sister White was connected with the Methodist Church from childhood, and as long as she was physically able

she was an active worker in the Church and in the Craig Colony Club, Denver. She was a loving, self-sacrificing mother and a very devoted wife. Sister White always gave a gracious, Christian welcome to strangers and made them feel at home in the church and community. She was a constant sufferer for a score of years, but did not become unconscious until Sunday morning, August 22nd, when she departed very peacefully to be with Jesus. Besides her bereaved companion she leaves one daughter, Mrs. Lillian C. Allen, of Arvada, Colo., and three sons—Leslie F., of Seattle, Wash.; Morley P., of Arvada, and Arthur E., of Kars, Armenia, in relief work.

Erma Bashford Rodeheaver

Born in Hudson, Wis., April 7, 1884. Died in Denver, Colo., February 8, 1920. She was the only daughter of John W. Bashford and Alice M. Bashford. Her father was an attorney and was for a number of years mayor of Hudson.

She graduated from Ohio Wesleyan University in 1904. For two years she was professor of English in Lincoln Memorial University at Mason City, Iowa, then assistant professor of elocution and oratory at the University of Wisconsin.

She was married to Joseph N. Rodeheaver November 5, 1910, her uncle, Bishop Bashford, performing the ceremony. Joining the Presbyterian Church in childhood, her membership remained there until she came to Denver. While unable to attend church service regularly she was greatly interested in spiritual things. More than once she received the communion at home, the day before she died receiving it with her only son of eight, his first and her last.

HISTORICAL AND QUINQUENNIAL MEMORANDA

Methodism in what is now Colorado was filed upon when Bishop Scott, on April 18, 1859, read out "Pike's Peak and Cherry Creek" as one of the appointments "to be supplied" in the Kansas and Nebraska Conference, which body has since waxed to eight large Conferences. It was forthwith prospected and staked by Goode, Adrians and Reitze the following summer. March 15, 1860, it was styled the Rocky Mountain District of said Conference. From March 21, 1861, to July 10, 1863, it appeared as the Rocky Mountain District of the Kansas Conference.

Under enabling act of the General Conference of 1860, on July 10, 1863, it was organized as the Rocky Mountain Conference: Six preachers, 241 members, 32 probationers, 14 local preachers, 10 Sunday Schools, officers, teachers and scholars, 1 church worth \$300, 1 parsonage worth \$400.

In May, 1864, the General Conference changed its name to the present Colorado Conference. At times it has had a Dakota District, a Santa Fe District and a Wyoming District, by reason of which last fact it held its session of 1888 at Cheyenne, Wyoming, at which time the Wyoming Mission came into existence, which in 1914 became the Wyoming State Conference, transferring 9 Coloradoans as Charter Members. The Spanish New Mexico word became a Conference with 30 members in 1893. Since 1888 its boundaries have been practically those of the State of Colorado, Chama, in New Mexico, being included for railway convenience in 1900.

N. B.—Because of innumerable and vexatious errors upon the part of Pastors reporting, the Treasurer was unable to complete his Report, close up his books, meet the requirements of his bond, and get his Report into the hands of the Publisher of the Minutes until Nov. 3, 1920.

Edward G. Ingraham, Treasurer, New Raymer, Colo., was elected to serve as Treasurer of the Colorado Conference in 1921. His bond will date Aug. 1, 1921. He suggests that after August 1, 1921, no benevolent funds be sent to Treasurers outside of the State, as the certain return of vouchers thereafter from them to remote remitters is difficult if not impossible. Funds after August 1 and before August 21 may be sent to him at his address and credit will be given and the funds forwarded. AFTER August 21, funds collected or in hand should be brought to Conference IN CERTIFIED CHEQUES, MONEY ORDERS, or if positively necessary in cash (to be avoided if possible.)

Preliminary Note. The Treasurer's Grand Total includes all paid for support of Bishops, Claimants, Superintendents, as given in the Statistician's Tables.

is the great purpose now occupying the civilized world.

To meet emergencies at home and abroad, as well as to do its share to reconstruct the world, the Joint Centenary Committee has organized a department of Emergency and Reconstruction.

The Methodist Book Concern freely places at your disposal lists of available books on related subjects and will gladly answer any inquiries on these and other topics. The only charge is for the books ordered.
